Re: Ethics Board Docket No. 2007-237

Dear Sirs:

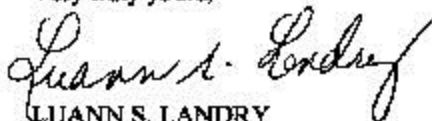

I am writing in response to the letter, dated April 12, 2007, which I received from Mr. Henry C. Perret, Jr., informing me of the hearing in connection with the above captioned matter, which is set for July 12, 2007.

As a result of Hurricane Katrina, all of my election banking records were lost. I have been working with my bank to research the account, which has been inactive since 2002. Your records indicate the balance in the account is \$89.05; however, the actual balance is zero dollars. The bank had charged a fee of ten dollars (\$10.00) per month since the account was opened. As a result, there have been no funds in the account since 2003. Therefore, as all surplus campaign funds have been disposed of in the form of bank fees, it is my understanding that I have not been required to file a Supplemental Report since that time.

I had given this information to your office via telephone, and was told to put same in writing. Please let me know if any additional information is required.

Thanking you in advance for your consideration in this matter, I remain,

Very truly yours,

LUANN S. LANDRY
